Admission process - overview

Admission occurs in 3 steps:

- Submission of an application documents by the applicant and verification of eligibility
- Invitation to an admission interview (also via video conference)
- Offer of a seat in the program and enrollment via Firm Acceptance-Form (legally binding agreement)

Admission Requirements

Applicants must meet the following requirements:

- Completion of a typically four-year higher education degree accrediting a competence level equivalent to 240 ECTS points (*Technical Degree (Diplom), Master's or Bachelor's Degree, or an equivalent domestic or foreign qualification usually requiring four years of full-time studies*)
- At least two years' qualified professional work experience
- A certificate of English language proficiency (CEFR Level B2) [*not for native speakers*]
- Successful completion of an admission interview

If you are unsure whether you meet the admission requirements you can contact the program coordinator for an individual documents check before submission.
